Assistant Professor or Associate Professor for the field Phonetics (Asian languages)

Research Field: Phonetics (Asian languages)
Number of Posts: 1
Department/Facility: Department of Asian Studies
Type of contract: Fixed-term contracts
Job Status: Full-time
Hours per Week: 40
Location: Olomouc
Offer Starting Date: 01.10.2026

Department/Facility description

- [Katedra asijských studií](#)

Job Profile

- Preparation, implementation, and management of teaching, including lectures, exercises, seminars, and other forms of educational, scientific, or artistic activities.
- Continuous and final assessment of students' knowledge and skills, including evaluation of their study results.
- Supervision, consultation, and review of final theses, especially seminar, bachelor's, and master's theses.
- Independent/team implementation of creative activities in the field of science, research, or artistic creation, including scientific, research, or development tasks within the professional focus of the workplace.
- Publishing and presenting the results of creative activities in professional journals, at conferences, or on other professional platforms.
- The job also includes teaching courses in a combined form of study. Active participation in the development of the study program and in the workplace's grant activities is expected.

Requirements

- Ph.D. in the relevant field.
- Ability to teach general and specialized courses in phonetics.
- High-quality and regular publishing and scientific activity in the field.
- Willingness to develop own grant activity in the field and obtain financial support for Korean studies.
- Ability to communicate in Czech or English at a level appropriate to the position.

What we offer

- Interesting and varied work in the field of supporting cutting-edge research.
- Stable background of a top university.
- 40 days of vacation.
- Meal allowance and other benefits.
